WELCOME TO FANTASY

Families and Theatre Lovers of the Tennessee Valley,

On behalf of our staff, teaching faculty, resident artists, and dedicated volunteers- we welcome you to our 63rd season of making magic at Fantasy Playhouse Children's Theater and Academy! This year we celebrate a season of new beginnings with four brand new adaptations and world premiere plays written by Alabama Authors! Our theme for 63 is **BRAVE SPACES, BRAVE STORIES**, and through each of these tales you'll meet characters who must identify their courage within to discover a better world for themselves and the world around them. Stories of kindness, teamwork, social responsibility, family, second chances, sacrifice, friendship and most of all, bravery! It's a brave new world! We are honored to produce this season of new works and so are our partners at Redstone Federal Credit Union, the Alabama State Council on the Arts, The Daniel Foundation, as well as the title sponsors of this production listed in your program.

We take great pride in creating pipelines from the classroom to the stage, to the work force, and beyond. Our community of artists can be found all over the region as engineers, educators, business owners, lawyers, doctors, nurses, and community organizers. Our partnerships with so many schools, colleges, universities, and local organizations and businesses have enriched our impact and have supported millions of Alabamians, each with their own brave story, since 1961.

The only thing missing from our magic is you! After you enjoy this production, we encourage you to check out upcoming productions, register someone in your family for our popular camps and classes, volunteer, or even audition for our next production! We also offer sensory friendly productions through our Special Stages Series, scholarships for families in need, and we never charge anyone to participate in our shows, ever. Fantasy is your one stop shop for family fun, enchanting productions, and innovative arts education programs for kids at a professional level that you won't find anywhere else. Learn about all the ways you can join the magic at www.FantasyPlayhouse.org.

Thank you for being a part of this special season. We couldn't do it without you, and we wouldn't want to! Welcome to our brave space!

Let the magic continue!

CAST & CREW BIOS

LISTED IN ALPHABETICAL ORDER BY CAST & CREW

Akshay Ahuja (*Admiral Spaysmun*) is excited to return back to the stage with his FPCTA Family. He is thankful to the Cast, Crew, and Directorial Team for this opportunity as this role lends itself to the silliness that can be found in his every day interactions with those he loves. Don't be surprised to find him off stage, still eating biscuits and looking towards the stars.

Jurnee Andreatte (*Mission Control Barry*) enjoys singing and acting. Her hobbies are spending time with family, listening to all types of music, and she loves Broadway shows. She has a passion to be a part of the FPCTA. This is her first show with FPCTA.

Emma Rose Berry (*Barney*) loves being a FPCTA kid. She is a friend to all creatures!! She also loves running, reading, theatre and art.

Davis Bigelow (*Ham*) is just happy to be here! He is both very sad and excited for his third FPCTA show this year and last show in high school. He is so grateful for the amazing community and FPCTA family he's been able to be a part of all these years. He also thanks his parents for their continued support in his near decade long theatre career. Megan Carter (*Hardy Heartbeat/Miss Ride*) is thrilled to be in her first FPCTA main stage production other than ACC since 2001! By day she works for NASA so this production holds a special place in her heart and she can't wait to share the stage with her daughter, Kai. Most recent roles include Caroler/Lewis in FPCTA's *A Christmas Carol*, IMP's *Guys and Dolls* (Hot Box Girl) and IMP's *Beauty and the Beast* (Ensemble). Much love and thanks to Chris, Finn, Gran and Pop Pop.

Kai Carter (*Little Sally Ride/Monkey Ensemble*) is in the third grade and can't wait to be back on her favorite stage in town. Past roles include Fan, Tiny Tim, Urchin, and FPCTA Junior(FPCTA) and a cupcake in *Beauty and the Beast*(IMP). Haley Wilkerson (*Monkey Ensemble*) is a spirited nine-year-old and current fourth grader with a zest for life, eagerly returns to the stage alongside her beloved FPCTA family. She is currently in her fifth year of dance, has a passion for performing, and a even bigger love of reading. She is most excited to share the stage with her little sister in this production.

Eisley Yaw (*Hans*) enjoys playing Legend of Zelda games and cuddling with her two cats. Other roles she's played include Ms. Hannigan in *Annie Jr.*, Anastasia in *Cinderella* and Pumbaa in *Lion King Jr.* Her favorite role she has played is Michael Banks in *Mary Poppins Jr.*

CAST & CREW BIOS

LISTED IN ALPHABETICAL ORDER BY CAST & CREW

Stephen Tyler Davis (*Director*) Artistic Director @ FPCTA, Alabama A&M Theatre Faculty, theatremaker, dramatist, and Uncle Stephen. BA Theatre, University of Alabama. MFA Theatre, Sarah Lawrence College. Thank you cast, crew, PMC, Tech team, Board of Directors, research assistants, the '24 January ice storm, coffee brewers, idea bouncers, monkey handlers, and all the brave scientists and engineers of the Rocket City. It's an honor to make new theatre in my hometown with friends, family, and this wonderful arts community. Let the magic continue...to the Moon!

Amy Brooks (*Production Manager*) is excited to be involved with her 5th Fantasy production (first time co-producing at Fantasy!). As mom to two theatre kids, Mary Kate and Caroline, she has spent countless hours backstage and working on production teams with FPCT, LMP and HHS. The best way to spend "free time"! Special thanks to Taylor Brooks for supporting this venture. It has been an honor to get to work alongside the wonderful team at Fantasy Playhouse. We can't wait for you to see this special show!

Adeline Creel (*Student Director*) is thrilled to close out her senior year with her FPCTA family! Adeline has performed in many Fantasy shows including Charlotte's Web and The Jungle Book, but Space Monkeys is her directing and production debut! Adeline is also a proud member of FPCTA's Lab 87 Conservatory. After graduation, Adeline will perform and train at Sight & Sound Theatres Conservatory in Lancaster, PA. Thank you, FPCTA for providing a safe place to create, learn, and grow!

Fathia Hardy (*Assistant Director/Choreographer*) is excited to make her FPCTA debut on the directorial team. Previously seen on the 63rd season mainstage as Wanda in Rapunzel and the Beanstalk and Mrs. Fred/Caroler in ACC. Former UAH dance team coach; choreographer/assistant choreographer for Godspell, The Draper Caper, Little Shop of Horrors, and Grease. FPCTA Board of Directors member and Secretary. Life's motto, "Life is like photography, let the negatives develop".

Kayla Schonrock (*Student Choreographer*) is excited to follow up being an actor in A Christmas Carol and Rapunzel and the Beanstalk by participating behind the scenes of Space Monkeys as the student choreographer! She loves theatre and is excited to be helping on the other side of the curtain for the first time and hopes that you all enjoy the show!!

Joanna White (*Production Manager*) is a proud #FantasyKid who loves helping theater people make magic happen! She's thankful for the opportunities FPCTA creates for families to volunteer onstage & offstage together.

Dan Wilkerson (*Technical Director*) This is my first show as Technical Director. I previously was a tech on Jungle Book and performed in this season's Christmas Carol. I am super excited for this new challenge.

FANTASY PLAYHOUSE CHILDREN'S THEATER & ACADEMY

ADDITIONAL SEASON SUPPORT BY:

INTERESTED IN SPONSORSHIP FOR THE 64TH SEASON?

Fantasy Playhouse Children's Theater & Academy (FPCTA) proudly entertains and educates children from all walks of life in the Tennessee Valley by providing a wholly unique theatre arts education experience. Founded as a 501 (c)3, FPCTA is a volunteer-driven organization, we are currently partially supported by grants from ASCA, The (Huntsville) City Arts & Cultural Grant Program, and the National Endowment for the Arts.

Sponsorship of the season is the perfect opportunity to support our mission and help ensure our continued growth and community engagement. FPCTA sponsors have the opportunity to present themselves as influential constituents as well as reach a diverse audience of students, parents, and families. Sponsorships play a vital role in FPCTA planning as revenue from our tickets and our camps and classes only cover a portion of the costs. Sponsorships directly subsidize the costs associated with providing:

- Theatre arts access for families with intentionally low ticket prices and tuition
- Tuition assistance and scholarships for under-resourced students
- Free theatre arts education programming to Title 1 schools
- Free admission to final dress rehearsals provided to organizations that serve under-resourced populations with little to no access to live theater
- Reduced price student matinees for productions
