# WINTER/SPRING SEMESTER 2023

## Class Descriptions

Listed in Alphabetical Order

**Actor's Playground:** Through the use of theatre games, improvisation, and story dramatization, students will be able to explore the world of acting and theatre. Students will build a foundation of acting techniques and tools to develop characters and create stories, all while sharpening their creativity and improving their self-confidence, as they learn the importance of teamwork and ensemble building

**Advanced Musical Theatre Showcase: Shrek the Musical JR.:** Join us for FPCTA's production of Shrek Jr. as this hilarious fairy tale world comes to life on stage. Join characters like Fiona, Donkey, and Gingerbread man in this story of friendship and self-acceptance. In this class students will work together to learn the songs, dances, and blocking from Shrek Jr. leading to a final performance!

**ASL for Theater:** Hundreds of different types of communication are used all around the world, including American Sign Language (ASL). Almost half a million individuals in the United States rely on it daily. In ASL for Theatre, students will learn the basics needed for communication, play sign based theatre games, and learn the skills needed to help provide ASL access for theatrical performances. Join us in this brand new class as we work to help make theater more accessible for all!

**Costuming & Sewing Cohort:** Explore the world of costume design and construction in this hands-on class! Learn to drape, sew, and pull together costumes from various time periods and stylized production. Training continues backstage with opportunities to learn the skill of quick changes and costume repairs.

**Elephant and Piggie Take the Stage!:** Get ready for a musical adventure starring the characters of Mo Willems' beloved, award-winning, best-selling children's books: Elephant & Piggie! Join an elephant named Gerald and a pig named Piggie as they take to the stage. We will learn about the fundamentals of theatre, musical theatre and story-telling with the very best of friends, Elephant & Piggie!

**Group Voice:** Learn the fundamentals of singing in this class! Group Voice will focus on group singing, solo singing, harmony work and dynamics. If your student loves show choir, musicals, Glee, or has always wanted to take vocal lessons, this is the perfect class for them!

**Homeschool: Acting & Improv:** Looking for a way to work out your funny bone? Then this is the class for you! Through acting technique, improv games, and sketches, actors will learn to develop original characters and stories while striking comedy gold! Don't miss the laughs and a chance to find your inner comedian. This class is designed to be taken more than once!

**Homeschool: Musical Theatre:** Do you love to sing and dance? This class is the perfect fit for you! Our homeschool actors will work on improving their vocal technique while learning musical theatre dance choreography. Actors in this class will learn selections of scenes and songs from hit Broadway shows. Classes will focus on improving acting technique and introducing beginning music theory, musical theatre terminology, and choreography.

**Intro to Music Theory:** Are you a singer, musician or music lover looking to expand your knowledge? Look no further than our music theory class! Learn theory fundamentals in a fun and encouraging environment. This class is especially helpful for those who are looking to play music or study music and theatre. This class is perfect for beginner theory students as well as those with some general music theory experience.

**Little Makers: Props and Puppets:** This technical theatre class is great for those who love to work with their hands to build and be creative! In this class students will build, paint, and use their imaginations to create a variety of technical projects. From designing and building puppets, to building scale models, to creating props- in this class we do a little bit of everything!

# WINTER/SPRING SEMESTER 2023

## Class Descriptions

Listed in Alphabetical Order

**Mickey Mouse Playhouse:** Golly Gosh! In this magical class students will use the Tools of an Actor to bring the characters like Mickey Mouse and Donald Duck to life. Actors will engage in creative play, crafts, and singing to learn to use their bodies, voices, and imaginations to tell a story. Come on! Let's go get our Mouskетools! Must be potty-trained.

**Musical Theatre Dance Fitness:** Looking for a fun and musical way to get in shape? In our Musical Theatre Dance Fitness class, each week you'll learn new and fun dance routines to some of your favorite Broadway musical tunes! Move around to Mamma Mia and get hyped up with Hamilton in this low-commitment, high-energy workout class!

**Musical Theatre Dance: & Juliet:** O Romeo, Romeo! Wherefore art thou Romeo? Join us in this fast-paced dance class. Dancers will work on improving their technique while learning musical theatre dance choreography. Each week students will learn short combinations to the musical numbers of the new hit show & Juliet!

**Musical Theatre I:** Has your actor been bit by the Broadway bug? In this beginning musical theatre class, actors will focus on learning different elements of musical theatre like how to use their body, voice, and imagination to tell a story through song and dance. Actors will also work on applying the Acting Tools to different scenes and exercises while making friends and building confidence along the way. We recommend taking this class more than once!

**Musical Theatre II:** Singing, dancing, and acting are a few of our favorite things in this intermediate musical theatre class. Join us as we work on the fundamental methods of musical theatre and learn to incorporate character choices and stage movement within the story of the song. Actors will enhance their knowledge of music theory, dance technique, and musical theatre terminology. We recommend taking this class more than once.

**On-Camera Acting:** Have you ever wondered what it was like to audition for film, tv, and commercials? This is a perfect introduction to the world of On-Camera Acting! The course will work on the most important skills for an on-camera performance, including taking direction, finding your mark, on-camera acting techniques, and cold readings, all while having fun performing film, tv, and commercial scripts. Students will leave the class having learned to analyze scripts and master the techniques needed to record themselves for successful self-submissions.

**On-Camera Acting for Kids:** Have you ever wondered what it was like to audition for film, tv, and commercials? This is a perfect introduction to the world of On-Camera Acting! The course will work on the most important skills for an on-camera performance, including taking direction, finding your mark, on-camera acting techniques, and cold readings, all while having fun performing film, tv, and commercial scripts.

**Outer Space Adventures:** Blast off! Come along with us this semester into an adventure in outer space! In this new class our youngest actors will explore the galaxy. They will use their imaginations to discover what it is like to be an astronaut, discover aliens, explore planets, and so much more! This class will teach teamwork, creative play, and problem-solving skills as actors work together to tell the stories. Must be potty-trained.

**Sing Disney! Dance Disney!:** Back by popular demand, this class will leave actors singing and dancing all week long! Join us for this exciting class as we focus on learning the basics of musical theatre while reenacting songs and scenes from classic Disney favorites. Actors will also work on creative movement, rhythm, and critical thinking through warm-ups, games, and improv.

# WINTER/SPRING SEMESTER 2023

## Class Descriptions

Listed in Alphabetical Order

**Superhero Stories:** Join us this semester as we check out what amazing adventures await our beginning actors in this brand new class! Through imagination, songs, and creative play, our young actors will work together to act out or even create their own stories with their favorite superhero! Fly Up Up and Away with us in this new exciting class!

**Technical Theatre Cohort:** Our Technical Theatre cohort will experience a variety of technical roles within the theatre. Students will learn the basics of set design and construction, technical theatre safety, scenic painting, as well as light and sound design. Training continues backstage, where students will learn what it takes to work on a show by creating technical elements for our showcase performances.

**Teen Acting Workshop:** FPCTA's Teen Acting Workshop is a combination of theatre training and performance experience. In this class, actors will learn the process of putting on a play while learning different acting techniques and exercises. Students will learn to audition for a play, go through the process of rehearsing, blocking and memorizing dialogue leading to a final performance.

**Theatrical Makeup Cohort:** Learn techniques of age, natural, and fantasy makeup to transform the actor. Students will be taught the fundamentals of stage makeup, color theory and coordination, safety, sanitation and hygiene, highlights, shading, and more! Training continues backstage, where students will learn what it takes to work on a show by designing makeup looks for our showcase performances.

**Voice-Over Acting:** Have you ever thought about the voices in your favorite movie and tv shows, cartoons or commercials? The voices of Bluey, Spongebob, Gravity Falls and the Studio Ghibli movies? They are all voice actors! Learn the skills it takes to voice cartoon characters, commercials and other projects in this class that combines acting technique with technology!

**Young Actor's Workshop:** Calling all actors! In this intermediate class, students will continue to build on acting techniques through script work, theatre games, scene study, monologues, and character development. This is the perfect class for learning stage directions, reading and memorizing dialogue, and creating character through voice and physicality.
